Holiday Wishlist

You can help families staying close to their seriously ill children far from home this holiday season by donating items that will help RMHC-SWO illuminate some Christmas magic.

Create a Family Santa Sack for RMH London

Below, you will find a list of most needed items for RMH London's Christmas Store - thank you for giving families with seriously ill children some holiday magic this season.

When making a donation, please keep in mind we like to provide gifts for the entire family, from mom and dad, to pre-teens and teens, all the way to toddlers and infants. Consider creating your own Santa Sacks when you drop off a donation to RMH London by donating items for a variety of family members!

RMH London Christmas Store

In December, the families staying close at RMH London experience holiday magic at our Christmas Store. Caregivers select gifts for their kids, and children can pick presents for mom and dad. The gifts are delivered on Christmas eve to bring some holiday joy to parents, patients and siblings on Christmas morning.

Giving Holiday Support to RMH Windsor
