INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Southwestern Ontario Childrens Care Inc.

Qualified Opinion

We have audited the accompanying financial statements of Southwestern Ontario Childrens Care Inc., which comprise of the statement of financial position as at December 31, 2019, the statement of operations and changes in fund balances, statements of functional expenses, and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of Southwestern Ontario Childrens Care Inc. as at December 31, 2019, and its financial performance and its cash flows for the year ended December 31, 2019 in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Qualified Opinion

In common with many not-for-profit organizations, the organization derives revenue from donations and fundraising activity, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, our verification of donation and fundraising revenues, in the fiscal year ending December 31, 2019 and the fiscal year ending December 31, 2018 was limited to the amounts recorded in the records of the organization. Accordingly, we are unable to determine whether any adjustments for unrecorded amounts might be necessary to revenues, excess (deficiency) of revenues over expenditures and net assets.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the organization's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located on Davis Martindale LLP's website at: https://www.davismartindale.com/auditors_report. This description forms part of our auditor's report.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2019

1. Nature of the Organization

Organization

Southwestern Ontario Childrens Care Inc. ("the Organization") (o/a Ronald McDonald House Charities® Southwestern Ontario) is an Ontario not-for-profit, charitable corporation formed in 1985. The mission of Ronald McDonald House Charities (RMHC) is to create, find and support programs that directly improve the health and well-being of children and their families. RMHC and the network of local Chapters, of which there are 12 in Canada, ascribe to five core values: we are focused on the critical needs of children, we lead with compassion, we celebrate the diversity of our people and our programs, we value our heritage and we operate with accountability and transparency.

In Canada, 12 Regional RMHC Chapters work collaboratively through the support of RMHC Canada, Canada's national RMHC foundation, which is focused on contributing funding from McDonald's Restaurants of Canada and other donors, to support the building and operations of Ronald McDonald Houses, Family Rooms and Ronald McDonald Care Mobiles to help enable the support of families with sick children. The 12 Canadian Chapters operate 15 houses, 16 family rooms and one Care Mobile across Canada.

We fulfill our mission through operation of sustainable programs that enable family-centered care, bridge access to quality health care, are a vital part of the health care continuum and strengthen families during difficult times. The following programs, operated by the Organization, represent the core functions of Ronald McDonald House Charities:

Ronald McDonald House(s) - London and Windsor

When children must travel long distances to access top medical care, accommodations and support for families can be expensive or not readily available. The Organization helps families stay close to their ill or injured child through the Ronald McDonald House - London and Ronald McDonald House Family Room located in London on the Site of London Health Sciences Centre-Childrens Hospital and Windsor, Canada's first house with a hospital located inside Windsor Regional Hospital, which provide temporary lodging, meals, programming, and other support to children and their families. The program provides families with emotional and physical comfort and increases the caregivers' ability to spend more time with their child, to interact with their clinical care team and to participate in critical medical care decisions.

1. Nature of the Organization (continued)

Ronald McDonald Family Room

When a child is critically ill, parents may be reluctant to leave the hospital. In order to provide comfort and support to their child, it is important that parents have an opportunity to rest, have a meal or have a moment of quiet. Located inside medical care facilities, the Ronald McDonald Family Room in Children's Hospital - London Health Sciences Centre serve as a place of respite, relaxation and privacy for family members, often just steps away from where their child is being treated. The Ronald McDonald Family Room program provides parents with an opportunity to remain close to their hospitalized child and to be an active member of their child's health care team. At Ronald McDonald House Windsor, the Day Pass Program allows families access to the house during daytime hours to provide families with the benefits of a Family Room Structure. Both London and Windsor also operate hospitality cart programs that connect with families at their child's bedside. The *Cart with a Heart Program* brings the family room to the families and helps to educate and engage them in the services offered by Ronald McDonald House Programs.

2. Significant Accounting Policies

These financial statements are prepared in accordance with Part III of the Chartered Professional Accountants of Canada ("CPA Canada") Handbook - Accounting Standards for Notfor-Profit Organization, which sets out generally accepted accounting principles for not-for-profit organizations in Canada and includes the significant accounting policies summarized below.

(a) Use of estimates

The preparation of financial statements in accordance with Canadian accounting standards for not-for-profit organizations, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the statement of financial position date, and the reported amount of revenue and expenses during the reporting period. Actual results could differ from those estimates.

(b) Fund accounting

To ensure observance of limitations and restrictions placed on the use of resources available to the Organization, the accounts are maintained in accordance with the principles of Fund Accounting. Under these principles, the accounts of the Organization have been classified into the following funds:

The General fund reports unrestricted resources available for general operating activities.

The Capital Asset fund reports resources that are restricted to the Organization's capital asset purchases, replacements, or maintenance initiatives.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2019

2. Significant Accounting Policies (continued)

(c) Revenue recognition

The Organization follows the restricted fund method of accounting for contributions.

Contributions, grants, and bequests are recorded in the appropriate funds when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Unrestricted contributions are recognized as revenue in the General fund when initially recorded in the accounts. Externally restricted contributions are recorded in the Restricted fund or Capital Asset fund when initially recognized in the accounts.

Revenue from fundraising is recognized as revenue in the corresponding fund as appropriate in the year received or receivable, if the amount can be reasonably estimated and collection is reasonably assured.

Fees are recognized when the services have been provided. Revenue from room payments is recognized as revenue in the General fund on an accrual basis when the amount to be received can be reasonably estimated and collection is reasonably assured.

Investment income (loss) consists of interest, dividends, income distributions from pooled funds, and realized and unrealized gains and losses. Investment income earned on Restricted fund or Capital Asset fund resources that must be spent on donor-restricted activities is recognized as revenue of the respective fund. General investment income earned on Restricted fund, Capital Asset fund, and General fund resources is recognized as revenue of the General fund. Investment losses are allocated in a manner consistent with investment income.

(d) Expense allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the Statements of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

(e) Foreign currency translation

Transactions denominated in foreign currencies are translated into Canadian dollars at exchange rates prevailing at the transaction date. Monetary assets and liabilities are translated into Canadian dollars at exchange rates in effect at the dates of the statement of financial position. Non-monetary assets and liabilities are translated at the historic rate.

(f) Financial instruments

Investments are recorded at fair value. Transactions are recorded on a trade date basis and transaction costs are expensed as incurred.

Other financial instruments, including accounts receivable, accounts payable and accrued liabilities, and government remittances payable are initially recorded at their fair value and are subsequently measured at amortized cost, net of any provisions for impairment.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2019

2. Significant Accounting Policies (continued)

(g) Contributed materials and services

Donated materials and services are recorded in the financial statements at fair market value when fair market value can be reasonably estimated. Because of the difficulty in determining the fair value of volunteer time, these services are not recognized in the financial statements.

(h) Capital assets

Purchased capital assets are recorded at acquisition cost. Contributed capital assets are recorded at fair value at the date of the contribution. Amortization is calculated using the straight line method at the following annual rates.

Automobiles	5 years
Building	40 years
Computer hardware	3 years
Computer software	3 years
Furniture, fixtures, equipment	5 years
Leasehold - Ronald McDonald Family Room	10 years
Leasehold - Ronald McDonald House Windsor	10 years
Parking lot	10 years

(i) Impairment of long-lived assets

Long-lived assets are tested for impairment when events or changes in circumstances indicate that their carrying value may not be recoverable. An impairment loss is recognized when the carrying value exceeds the total undiscounted cash flows expected from their use and eventual disposition. The amount of the impairment loss is determined as the excess of the carrying value of the asset over its residual value.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2019

Balance, end of year	\$ 6,535	\$_	26,905

The attached Independent Auditor's Report and notes form an integral part of these audited financial statements.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED DECEMBER 31, 2019

6. Financial Instruments

The Organization is exposed to various financial risks through transactions in financial instruments

Credit Risk

The Organization is exposed to credit risk in connection with its accounts receivable and its short-term and fixed income investments because of the risk that one party to the financial instrument may cause a financial loss for the other party by failing to discharge an obligation. Accounts receivable is recorded net of an allowance for doubtful accounts of \$NIL (2018 - \$NIL).

Interest Rate Risk

The Organization is exposed to interest rate risk with respect to its investments in fixed income investments and a pooled fund that holds fixed income securities as the fair value will fluctuate due to changes in market interest rates.

Liquidity Risk

The Organization is exposed to the risk that it will encounter difficulty in meeting obligations associated with its financial liabilities. The Organization considers that it has sufficient funds available to meet its obligations as they come due.

Currency Risk

The organization enters into foreign currency purchase and sale transactions and has assets that are denominated in foreign currencies and thus are exposed to the financial risk of earnings fluctuations arising from changes in foreign exchange rates and the degree of volatility of these rates. Management does not believe they represent a significant risk to the organization. The organization does not currently use derivative instruments to reduce its exposure to foreign currency risk.

Market Risk

The organization's investments in publicly-traded securities exposes the organization to price risks as equity investments are subject to price changes in an open market. The organization does not use derivative financial instruments to alter the effects of this risk.
